

# Exchange on United Nations Institutions (FAO, WB, WHO)

**Please sit with your group**

Split up in pairs/singles and find representatives from two other UN institutions

Discuss the results within your original group.

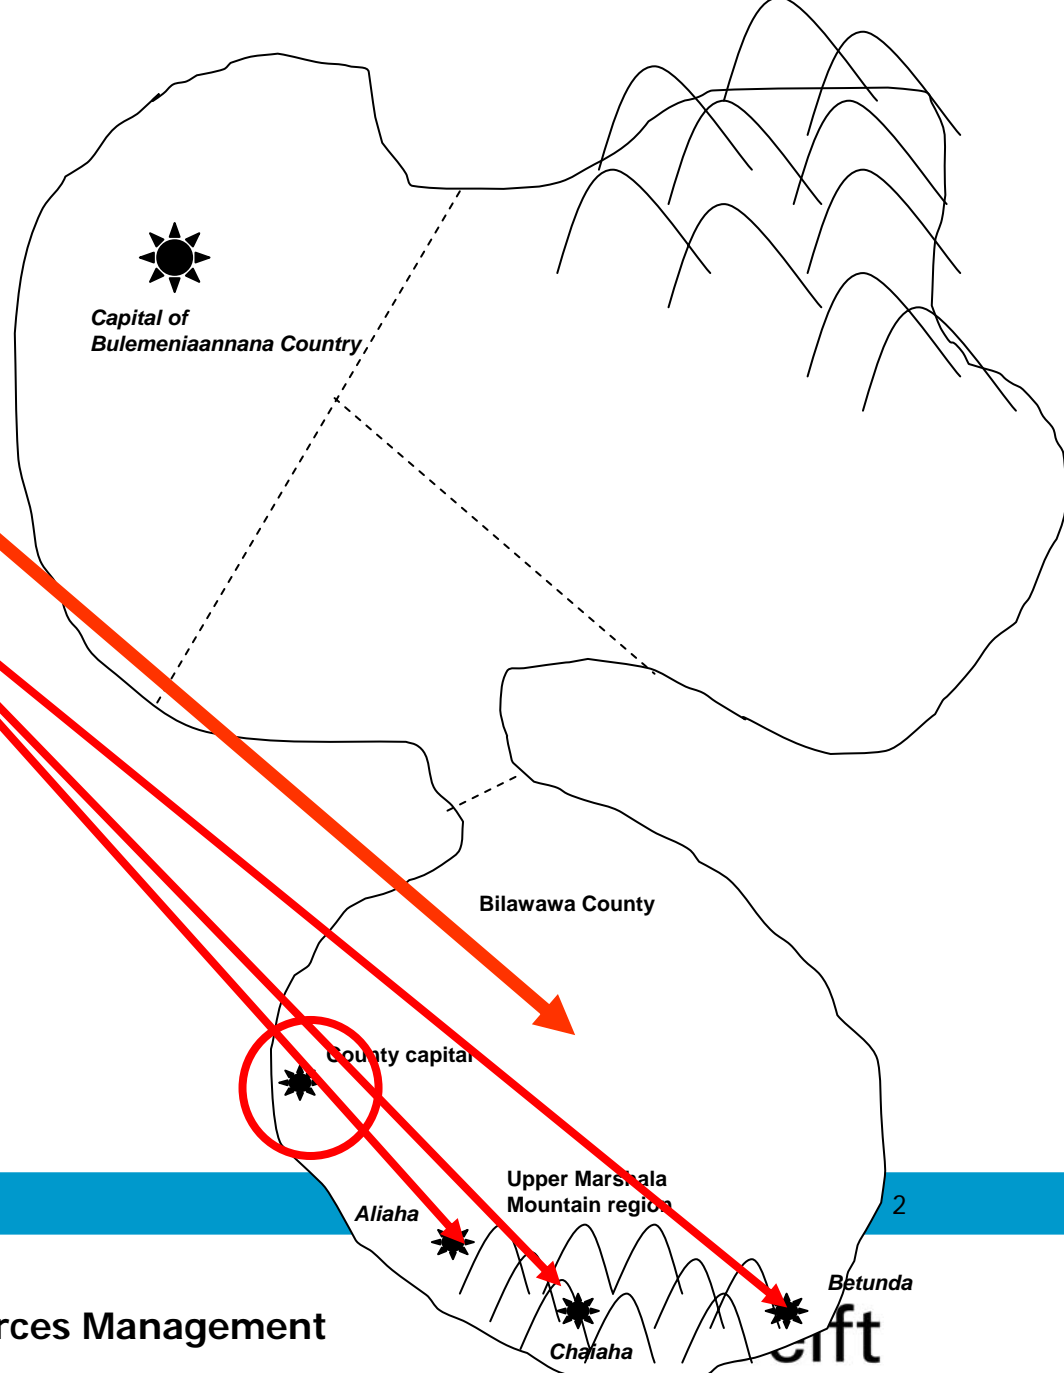

My institution works because ...

My institution fails because...

# Evaluation

- What projects did you go for?
- Do you like the decision made by the IABC?
- Did you have influence on this decision?
  - Why (not)?

## Assignment (before Monday session)

- Group evaluation per role
- Individual evaluation: what has been your personal contribution (content or process; within your role or outside your role)
